

4. GULAB KANWAR AND MONIKA SHEKHAWAT ; ELEVATED TSH- A RISK OF FRACTURE IN POST MENOPAUSAL WOMEN. Published In IOSR- Journal Of Dental And Medical Science Vol 14 Issue 8 Aug 2015.

6. GULAB KANWAR AND KUSUM BALA JAIN ; ASSOCIATION OF SERUM URIC ACID AND CREATININE LEVEL WITH HYPOTHYROIDISM Published in IJSRE, vol 2, issue 9, sept 2015.

8. GULAB KANWAR AND KUSUM BALA JAIN:CHANGES IN ELECTROLYTE IN HYPOTHYROIDISM will be published in impact journal JRANSS vol 1, issue 2, Dec 2015. 135-140.

11. GULAB KANWAR AND MONIKA SHEKHAWAT ASSESSMENT OF VARIATION IN BIOCHEMICAL MARKERS OF RENAL FUNCTION IN THYROID DISORDERS published in INTERNATIONAL JOURNAL OF APPLIED AND NATURAL SCIENCE IASET Vol -5 issue -1 Dec 2015

(YEAR 2016)

2. GULAB KANWAR AND MONIKA SHEKHAWAT - COMPARATIVE STUDY OF SERUM LIPID PROFILE IN ALCOHOLICS AND NON–ALCOHOLICS, Published in IJARSET, Volume 3, Issue 2, Pg 1414 – 1419, February 2016
GOVT. MEDICAL COLLEGE, KOTA

PUBLICATIONS OF FACULTY IN INDEXED JOURNALS

DEPARTMENT OF SURGERY

List of publications from Department during last One Year.

1. Title : Typhoid Intestinal Perforation: 24 Perforations in One Patient.  
   Authors: Atul K Sharma, Rakesh Kumar Sharma, Santosh K Sharma, Devendra Soni.  
   Journal : Annals of Medical Health Science and Research. (Assigned for publication in Oct-Dec 2013 issue.)

2. Title : Femoral Hernia- An Unusual Presentation with Enterocutaneous Fistula with Ileal Mucosal Prolapse.  
   Authors: Navneet Parashar, Tej Pratap Singh, Rakesh Kumar Sharma.  

3. Title : Double Peptic Perforation: A rare case report.  
   Authors: Atul Sharma, Rakesh K Sharma, Santosh K Sharma, Tej Pratap Singh, Devendra Soni,  
   Journal : Asian Journal of Surgery. (Accepted for publication on 11.04.2013)

4. Title : Ileal Perforation in a Patient with acquired immune deficiency Syndrome.  
   Authors: Atul Sharma, Rakesh K Sharma, Santosh K Sharma, Ankur Jhanwar.  

5. Title : Port Site Infection in Laparoscopic Surgeries: Our Experience.  
   Authors: Rakesh Kumar Sharma, Atul Sharma  
   Journal : Indian Medical Gazette. (Accepted for publication)

6. Title : Multiple Z- Plasty for Pilonidal Sinus ; How I do ;  
   Authors: Atul K Sharma, Rakesh Kumar Sharma, Santosh K Sharma.  

7. Title : Appendicitis in Pregnancy: a novel approach for diagnostics dilemma.  
   Authors: Atul Kumar Sharma, Rakesh Kumar Sharma, Santosh Sharma.  

8. Title : Fetus in fetu; A rare case report  
   Authors: Atul Kumar Sharma, Ashok Goyal, Santosh Sharma.  

9. Title : Antioxidant Status in Patient With Chronic Hepatitis C in Rajasthan, India.
10. Title: A rare case of heterotopic ossification within the small bowel mesentery (intra abdominal myositis ossificans)
Authors: Ankur Jhanwar, Radheyshyam Meena, Neelam Sharma, Pawan Bansal.

11. Title: Trans Anal Evisceration of Small Bowel From Penetrating Injury by Long Iron Nail – A Unique Case.
Authors: Ankur Jhanwar, Radheyshyam Meena, Neelam Sharma, Priyanka Maheshwari.
Journal: Journal of Pharmaceutical and Biomedical Sciences 2012; 17(1).

DEPARTMENT OF MEDICINE:

LIST OF PUBLICATIONS IN YEAR 2012-2013

Authors: Pahadia Manish, Saluja Manoj, Meena SR
Published in: JAPI, Jan 2013; Vol 61

2. Topic: Lung function test in Metabolic syndrome.
Authors: Pahadia Manish, Saluja Manoj, Meena SR
Published in: RSSDI-2012, 40th Annual Conference, Chennai

Authors: Pahadia Manish, Saluja Manoj, Meena SR
Published in: ISC, 7th Annual Conference ISC-2012, Udaipur

4. Topic: Impact of free drug distribution on hospital attendance and outcome of chronic diseased patients admitted in MBS Hospital, Kota
Authors: Pahadia Manish, Saluja Manoj, Meena SR
Published in: RAJAPICON-2012, 23rd Annual Conference Bhilwara (Rajasthan)

5. Topic: Usefulness of Ankle Brachial Index as a cardiovascular Risk factor in patient of acute coronary syndrome and its correlation with conventional cardiovascular risk factors.
Authors: Mittal Lalchand, Sharma Deepti
Published in: JAPI, Jan 2013; Vol 61
6. Topic: Pulmonary functions in patients with diabetes mellitus
   Authors: Kumar Kamlesh, Saluja Manoj, Meena SR
   Published in: JAPI, Jan 2013; Vol 61

7. Topic: Cross sectional study of assess prevalence of hypertension in coaching teenagers
   Authors: Nagar Dipti, Soni Anil, Gupta Atul, Sharda Meenakshi
   Published in: RAJAPICON-2012, 23rd Annual Conference Bhilwara (Rajasthan)

8. Topic: Features and outcome of H1N1 (Swine flu) in haroti region
   Authors: Pahadia Manish, Saluja Manoj, Meena SR
   Published in: RAJAPICON-2011, 22nd Annual Conference, Jaipur (Rajasthan)

DEPARTMENT OF PATHOLOGY

6. Rai NN. Introduction to Ophthalmic Cytology – Modalities and Classification of
Neoplasia (in symposium on ophthalmic cytology: Held during 36th Annual Conference of Indian Academy of Cytologists at Ranchi on 5th Nov). Journal of Cytology; 24 (1): 11-15

DEPARTMENT OF PEDIATRICS:

List of research publications during the year 2012

1) Article on “Hepatitis B vaccination” Indian Pediatrics. Vol 49- December 16, 2012. By Dr A L Bairwa(Prof.) and Dr Ningshen themyaola

2) Article on “e-IMCI. An effective and better approach in improving pediatric healthcare” Sovenier, Raj Pedicon-2012, Jodhpur. By Dr A L Bairwa(Prof.), Dr Ningshen themyaola

DEPARTMENT OF NEUROLOGY:

List of publications of faculty members of department of Neurology during last 3 years:

Papers sent for publication:

1. Acute venous sinus thrombosis after chickenpox infection.: sent to JAPI
2. Subacute sclerosing panencephalitis: Revisited – Review article and for publication.

DEPARTMENT OF PSYCHIATRY

Dept of anatomy:-

1. Title:- INCIDENCE OF WORMIAN BONE IN HUMAN SKULLS IN RAJASTHAN

Authors:-

Dr William F. Masih, Associate Professor. Department of Anatomy
Dr Sumit Gupta, Assistant Professor. Department of Anatomy

Dr Anita E. Chand, Professor. Department of Microbiology

Dr Pratima Jaiswal, Associate Professor. Department of Anatomy

**Name of journal, volume and year:** Journal of Evolution of Medical and Dental Sciences/ Volume 2/ Issue 9/ March 4, 2013

2.

**Title:** AUTOPSY STUDY OF METOPIC SUTURE INCIDENCE IN HUMAN SKULLS IN WESTERN RAJASTHAN

**Authors:**

Dr William F. Masih, Associate Professor. Department of Anatomy

Dr Sumit Gupta, Assistant Professor. Department of Anatomy

**Name of journal, volume and year:** NATIONAL JOURNAL OF MEDICAL RESEARCH, Volume 3│Issue 1│Jan – March 2013

**Department of Gynae and Obst.**

**Publications in various national & international journals :-**

1. Cephalo Thoracopagus Janciper Monosymmetros Conjoint Twins :- (Journal of evolution of medical and dental science)
   **Authors :-** Dr. Nirmala Sharma, Dr. Kanaram

2. A Unique case of recurrent uterine inversion requiring double reposition. (International Journal of reproduction, contraception, obstetrics and gynaecology)
   **Authors :-** Dr. Nirmala Sharma, Dr. Kanaram

**Department of Orthopaedics:**

**National Publication**

(Dr. Shiv Bhagwan Sharma, Professor & Head, Dept. of Orthopedics)

3. Management of Complex Proximal Femoral Fractures with the use of Proximal Femoral Locking Compression Plate.

(Dr. Shiv Bhagwan Sharma, Professor & Head Dept. of Orthopedics)

1. MRI in Meniscal Injury : Significance of absent bow tie sign.

International Publication

(Dr.Ashok Kumar Tiwari, Professor & Unit Head)

1. Comparative Study of The management of inter trochantric Fractures in the elderly; Short femoral nail vs dynamic Hip screw.  
   The Shrilankan Journanal of Surgery 2012; 30( 2):13-17

National Publication

(Dr.Ashok Kumar Tiwari, Professor & Unit Head)

1. Tibial Re-Fracture with An Intramedullary Nail in Situ.  

(Dr. Rajesh Goel, Professor & Unit Head)

1. Infantile cortical histiocytom – A case report  
   (The Journal of Orthopadics  traumatology and Rehabilitation 1993)

2. Role of External fixator in the management of compound fracture leg bone- A study.  
   (The Journal of Orthopadics  traumatology and Rehabilitation1995)

(Dr. Rajesh Goel, Professor & Unit Head)

1. Primary Unreamed Interlocking Nailing in Open Fracture of Tibia: A Retrospective Study
2. Role of Proximal femoral Nail in the Management of Peritrochentric Fractures in Elderly.  

(Dr. Rajesh Goel, Professor & Unit Head)

1. Tendo-achillis Avulsion Following Trivial Trauma in Retrocalkaneal Bursitis after Local Steriod Therapy.  

(Dr. Rajesh Goel, Professor & Unit Head)

(Dr. Ram Prasad Meena, Associated Professor)

(Dr. Ram Prasad Meena, Associated Professor)

1. Management of cubitus varus deformity by lateral closed wedge osteotomy and using plate fixation.
2. Comparative study on management of clavicle fractures treated conservatively or by plate fixation.
3. Scaphoid Nounions Managed with Bone Grafting and Herbert Screw Fixation.
